

Environmental Studies 1: Activities

1.1 Staying safe on your way to school

1. Draw

Draw a safe journey to school.

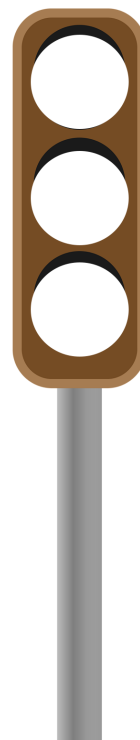

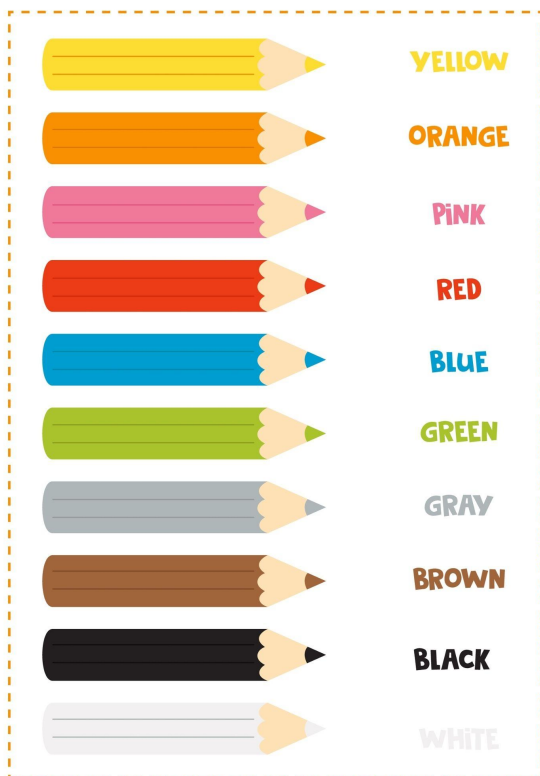

2. Traffic rules

Work in pairs. Play the important traffic rules without using words.

The others try to guess which traffic rule it is.

3. Colours

1. Study the colours.
2. Which colours are there in the traffic lights? Colour the picture.
3. Discuss: What do the traffic colours mean?

4. Connect

Connect the means of transport:

5. Discuss

How should you cross a crosswalk?

6. Discuss

How should you behave in traffic?
