

**Environmental Studies 1: Activities**  
**1.1 Staying safe on your way to school**

**1. Draw**

Draw a safe school trip.

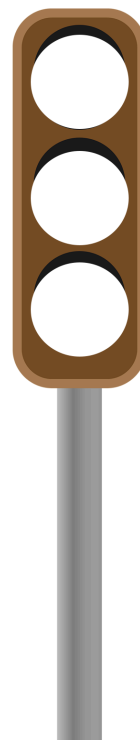

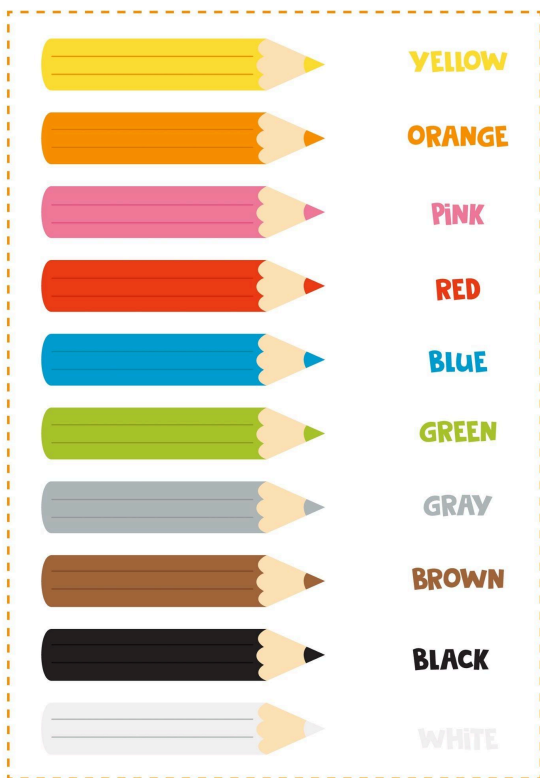

## **2. Traffic rules**

Play the important traffic rules for your school trip in pairs (as a pantomime).

Others try to guess which traffic rule it is.

### 3. Colours

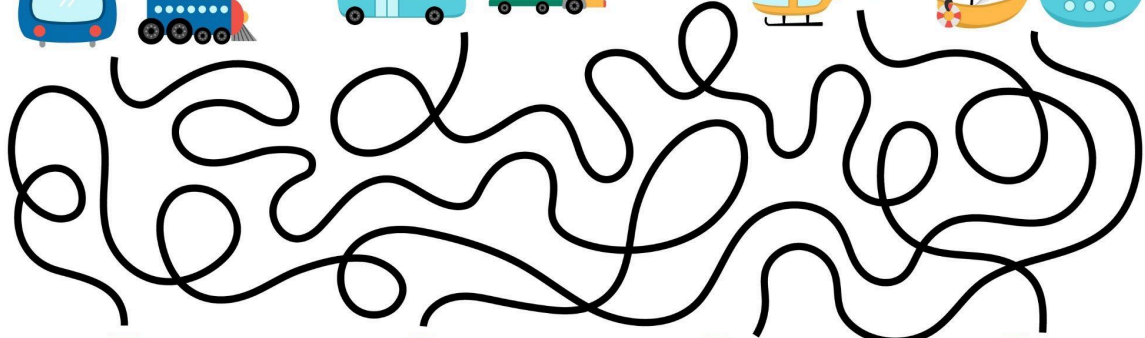

1. Study the colours.
2. Which colours are there in the traffic lights? Colour the picture.
3. Discuss: What do the traffic colours mean?

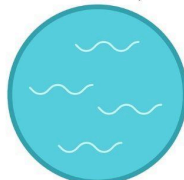

## 4. Connect

Connect the means of transport:

**PUZZLE TIME** WHERE DO THEY GO? 

 AIR       LAND, RAILS       WATER       LAND, ROAD

## 5. Discuss

How should you cross a sidewalk?

## 6. Discuss

How should you behave in traffic?
