

Environmental Studies 1: Activities

1.1 Staying safe on your way to school

1. Draw

Draw a safe school trip.

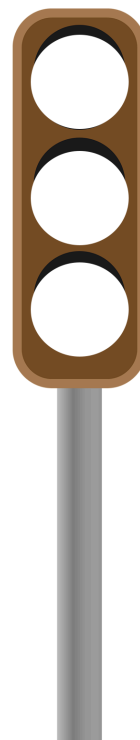

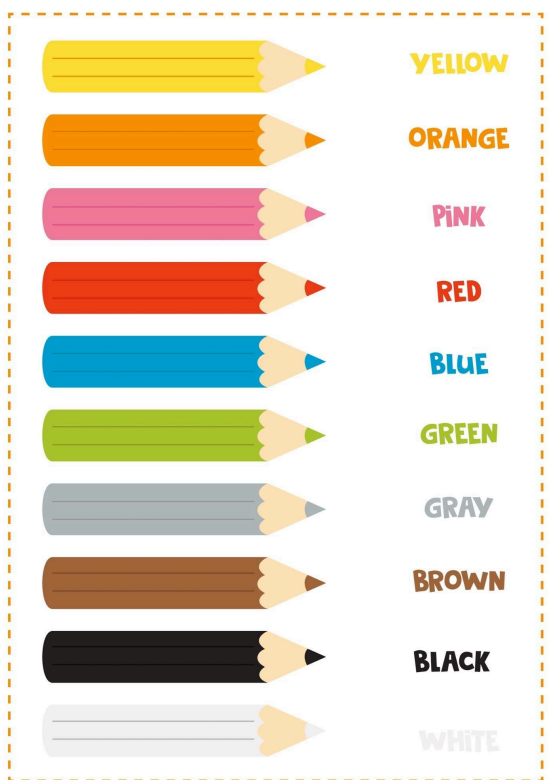

2. Traffic rules

Play the important traffic rules for your school trip in pairs (as a pantomime).

Others try to guess which traffic rule it is.

3. Colours

1. Study the colours.
2. Which colours are there in the traffic lights? Colour the picture.
3. Discuss: What do the traffic colours mean?

4. Connect

Connect the means of transport:

5. Discuss

How should you cross a crosswalk?

6. Discuss

How should you behave in traffic?
